PETITION TO WITHDRAW HOLDING OF ABANDONMENT

The Applicants respectfully request that the holding of abandonment be withdrawn in view of the following statement of facts:

1. According to a Notification of Abandonment, mailed by the USPTO on July 14, 2008, the application was abandoned on the basis that "no response to 905 dated 1/26/07". Applicant assumes this is referring to a notification of MISSING REQUIREMENTS (Form PCT/DO/EO/905). (Exhibit A)

2. The Applicants did not receive a Notification of Missing Requirements.

3. Furthermore, there is no record in PAIR of the mailing of a Notification of Missing Requirements. (Exhibit B).

Based on the foregoing statement of facts, the Applicants contend that a Notification of Missing Requirements was never issued, much less mailed, and,

therefore, the holding of abandonment for failure to respond thereto should be withdrawn.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Sidney L. Weatherford". The signature is fluid and cursive, with the first and last names being more prominent.
